MISS ME – BUT LET ME GO

Now that I've come to the end of the road

And the sun has set for me

I want no rites in a gloom-filled room.

Why cry for a soul set free?

Miss me a little—but not too long

And not with your head bowed low.

Remember the love that we once shared

Miss me—but let me go.

For this journey that we all must take

And each must go alone. It's all a part of the master plan

A step on the road to home.

When you are lonely and sick of heart

Go to the friends we know

And bury your sorrows in doing good deeds.

Miss Me – But Let Me Go!
