Rest In Peace

You are my angel,
You saved me from danger.
You were my heart,
When all else fell apart.
You never let my frown,
Stay upside down.

You held me close when no one else would,
You understood what no one else could.

You were my Auntie, my friend and most of the time my mom,
You never left anything unsaid or undone.

You caused no pain, no unhappiness or strain,
You never changed

You always stayed the same.

They say God called you home,

But it's so much pain

And all I can say is that you're gone.

My eyes are filled with so many tears,

As I lay here and cry away my fears.

Because every time I close my eyes, all I see is your face,

And my heart hurts so bad

Only because you can't be replaced

Not your beautiful smile and wonderful heart

That was always filled with grace.

You were the peace maker,

Never the heartbreaker.

All you ever wanted was for everyone to get along,

To love each other, stick together and be strong.

I Love You Auntie Trice,
Now may you Rest In Peace
