*W*HEN I MUST
LEAVE YOU

When I must leave you
For a little while —
Please do not grieve
And shed wild tears
And hug your sorrow to you
Through the years,
But start out bravely
With a gallant smile;
And for my sake
And in my name
Live on and do
All things the same,
Feed not your loneliness
On empty days,
But fill each waking hour
In useful ways,
Reach out your hand
In comfort and in cheer
And I in turn will comfort you
And hold you near;
And never, never
Be afraid to die,
For I am waiting for you in the sky!

Margestdgen Plummer

God saw the road was getting rough,
the hills were hard to climb.
So, He gently closed those loving eyes,
and whispered, "Peace Be Thine".
But you left us a beautiful memory
and sorrow too great to be told;
but for all of us who love you,
your memory grows on and on.
In life we loved you dearly,
In death we love you still.
You hold that special place in our hearts
that no one will ever fill.
